

# Welcome to Cosmo 2009-

Rally Day  
September 13, 2009  
Please return registration forms to  
the office as soon as possible!

## Attendance

Attendance is very important and we will be keeping a chart like last year. However we understand that vacations and visiting can keep us from home. So, if you visit another church, bring that church's bulletin the next week for attendance.

## Find the sheep is back!

There will be a different colored sheep for each grade. Every Month the sheep will be hidden somewhere in the church building; The children should tell me when they find it for extra credit.

We will **NOT** release children from classrooms without a parent present. You **MUST** pick up your child(ren) at their classrooms. Your child will not be allowed to meet you in the parking lot or any other part of the building. In the event you want your child to be released without a parent present, you must provide a written note or talk to Josie in person.

This year we are fundraising for the Dunn County Humane Society. We will again be doing Butter Braids, a Christmas Sale and "Help Me Home" yard stakes. We are asking that you have your children also bring in donations. This is an important part of growing as a Christian and I encourage you and your family to participate. A collection box is available in the Fireside Room. Our outreach mission will be an ongoing fundraiser for the Heifer Project. There will be more information on this later.

## Dear Parents:

As we begin a new year, there are always new things to announce and old things to remember. Just as last year we will be meeting for one full hour following the end of worship. Classes will meet every Sunday from Sept. 13, 2009 – May 16, 2010, unless otherwise noted.

Enclosed is this year's registration form, calendar, and DCHS Wish List. Please fill out one form for each child. If you need more forms, they are in the church office or ask Josie. Please make sure to put your email on the form so we can easily contact you with any last minute changes or cancellations. Please try to have your registration form (with payment) to the church office **before** Rally Day.

Cosmo is starting a new curriculum this year. I am very excited about it and hope that your children will enjoy it as well. Please let me know if you have any questions, concerns, or comments about this new installment. It is a lectionary based program so activities and projects are all based on the lessons and gospels your children will hear in worship that morning. Because of this, I suggest having your children in church each week, so they can absorb the message from all angles.

We are again asking each family to provide one non-perishable snack item that can be kept in the kitchen for Sunday morning snacks. We are asking for healthy items such as pretzels, crackers, or bottled juice (100% please). Please bring your contribution to church on Rally Day.

-Letters to God-  
In Sunday School they told us what you do. Who does it when you are on vacation? -Jane

I can't wait to see all of you this fall.  
Enjoy the rest of summer! Josie Wilterdink,
